  2004916230 A 20040810

0014716613
Access control unit providing method for database management system,
involves utilizing content management system to access user-selected
entities based on resolved privilege rules of run-time compiled access
control list table

Original Titles:
High run-time performance method and system for setting ACL rule for content management security
Local Applications (No Type Date): US 2003459078 A 20030611
Priority Applications (no., kind, date): US 2003459078 A 20030611

0014513841
 Online information providing apparatus for housing construction assistance, provides design documents including engineering drawing for
construction of housing corresponding to selected design and enforcement

drawing, to user

Original Titles:
HOUSE BUILDING SUPPORT INFORMATION SERVICE DEVICE
